As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$26,025.68, plus a revenue surplus of \$44,305.03, resulted in a net budget surplus of \$70,330.71.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary statement of the receipts and expenditures of the County for the fiscal year ended December 31, 1957, made up in accordance with the uniform classification of

accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance, as of December 31, 1957, is indicated in Exhibit B-2.

Bonded Indebtedness: (Exhibit A-5)

The bonded debt of the County, as of December 31, 1957, amounted to \$75,000.00. A statement of bonded indebtedness, showing annual debt service requirements, is included in Exhibit A-5.

ACCOUNTS OF COMMISSIONERS AND TREASURER

An examination was made of orders issued by the Commissioners and Clerk of the Superior Court during the fiscal year ended December 31, 1957. A substantial number of supporting invoices and payrolls were likewise examined and the classification of expenditures noted.

CLERK OF THE SUPERIOR COURT

The financial accounts and records of the Clerk of the Superior Court of Hillsborough County were examined. Court receipts were checked by source, insofar as possible, and found to be properly recorded. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

COUNTY FARM AND HOSPITAL

The accounts of records of the Superintendent of the County Farm and the Moore General Hospital were examined. Receipts of the Farm from the sale of livestock and produce and from boarders were checked by source through the triplicate receipt forms. All receipts of the Farm, as well as the receipts of the Hospital, as recorded in the cash book, were properly accounted for by the Superintendent through deposits in the bank to the credit of the County Treasurer's account.

Moore General Hospital -- Accounts Receivable:

The accounts receivable at the Moore General Hospital at the close of the last two fiscal years, as indicated by the institution records and giving effect to reserves for doubtful accounts, were as follows:

	December 31, 1956	December 31, 1957
Total Accounts Receivable	\$100,045.81	\$105,691.36
Less: Reserve for Doubtful Accounts	20,009.16	21,138.27
	<u>\$80,036.65</u>	<u>\$84,553.09</u>

An auditor's verification notice was sent to each individual whose name appeared on the list of accounts receivable. A total of 444 notices were mailed. A detailed list of accounts receivable has been prepared and will be submitted to the Board of County Commissioners.

Welfare Cases at County Hospital:

The following statement indicates the total amount for hospital charges for private and County welfare cases during the years 1956 and 1957, as well as the proportion that each class of accounts bears to the total.

	Total Amount of Hospital Charges	Private Cases (Includes City and Town Cases)	Proportion of Total	County Welfare Cases	Proportion of Total
1956	\$304,470.17	\$230,667.78	75.8%	\$73,802.39	24.2%
1957	\$403,002.56	\$276,537.60	68.6%	\$126,464.96	31.4%

The actual receipts of the County Hospital for hospital services in 1956 and 1957 amounted to \$214,208.19 and \$252,079.81, respectively. However, the charges on account of County welfare cases of \$73,802.39 and \$126,464.96 were not included therein.

In order that the accounts may more accurately reflect what the hospital should receive for services rendered as compared to the cost of operation, the recommendation is again made that monthly bills be rendered by the hospital to the County Commissioners for all County welfare cases receiving hospital care. Regular County orders should be issued monthly in favor of the hospital and charged to the appropriation for "Poor Off Farm" in settlement of these accounts, the hospital thereby receiving actual payment for services furnished County welfare cases.

This change should be inaugurated at the beginning of the fiscal year and the County Budget for the year in which the change takes place and succeeding years should reflect the revised procedure as follows:

- (1) The appropriation for "poor Off Farm" should be increased by an amount sufficient to cover the cost of County welfare cases at the Hospital.
- (2) The estimated revenue from the Hospital should be increased by a like amount.

It will be seen that this recommendation affects the accounting only and will not increase or decrease the County tax.

County Officers' Surety Bonds:

Surety bonds are customarily written for the following County officials:

County Treasurer	Register of Probate
County Sheriff	Deputy Register of Probate
County Solicitor	Clerk of Superior Court
Register of Deeds	Deputy Clerk of Superior Court

Other County employees who handle funds include — Superintendent of County Home and office personnel, Chief Bookkeeper and office personnel at Moore General Hospital, Office Manager and personnel at County Commissioners' office. It is recommended that a blanket bond of sufficient amount be secured to cover these employees.

County Cases at Hospital:

All county cases at the Hospital should have the authorization of the County Commissioners. This applies to cases which are originally entered as "private" but which subsequently become County cases, as well as those which are entered as County cases in the first place.

Conclusion:

In accordance with the provisions of Chapter 184 of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby expressed to the officials of Hillsborough County and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,

Director.

REPORT OF MOORE GENERAL HOSPITAL

*To the Honorable Board of Commissioners, Hillsborough
County, New Hampshire:*

GENTLEMEN :

I am forwarding you herein my annual report of the Moore General Hospital for the year ending December 31, 1958.

As indicated in the report the year 1958 saw many new improvements in the hospital and in the Caron Building. It also saw the installation of new and improved equipment required for our operation.

This annual report would be inadequate if it failed to mention the numerous friends of the hospital who have contributed their time and efforts in attending to the welfare of the patients and, advancing the interests of our staff and students.

Demanding special recognition are the members of the Moore Hospital Associates who have spent a great deal of time bringing warmth and comfort to the patients,

On behalf of the Staff and myself I wish to express our deep appreciation to the County Commissioners, the doctors on our Medical and Surgical Staff, to Mr. Lavallee, the Superintendent of the County Farm, to the visiting Clergy, and to the employees of the hospital whose joint efforts made the success of the hospital possible.

Respectfully submitted,

MARION G. LAMY,
Superintendent.

COUNTY PHYSICIAN'S REPORT

March 6, 1959

*To the Honorable Board of Commissioners,
Hillsborough County, New Hampshire:*

Will you kindly consider this letter as my report for 1958?

All medical cases in the Manchester area were treated at the county office and when necessary were sent to Moore General Hospital for hospital care.

There was a slight increase in the number of cases treated, but the quarters supplied at the county court house are adequate. However, there is urgent need of new equipment and we have hope of replacing some old outmoded pieces for examination and treatment.

We will then have adequate equipment as well as space.

Respectfully submitted,

JEAN N. LECLERC, M. D.,
County Physician.

CHAPLAIN'S REPORT

To the Board of County Commissioners:

GENTLEMEN :

I have been privileged again to serve as the Catholic Chaplain of the Hillsborough County Home and the Moore General Hospital for the past year. This closing year has been marked with numerous spiritual and material blessings for the people of your institutions.

During my visits with the people at the Home I have found a definite note of peace, happiness and cheerfulness that has enabled my work with them to be more successful. All of your employees have been extremely helpful to me in every possible way. I wish to thank your Superintendent, Mr. Ralph Lavalley and his assistant Mr. George Hurley for their very sincere care and attention to the spiritual condition of the people at the Home and for their prompt assistance to me when the need arose.

Many hours of this past year found me at the Moore General Hospital and again I have been given every possible consideration during my visits. Whether on a daily visit or a mid-night emergency call I have found all of the employees at the Hospital willing to assist me in my care for the seriously ill and dying. At this time I would like to express my thanks to your Administration, Mrs. Marion Lamy and her supervisors who have made my work at the Hospital easier this year.

This year at the County Home the Holy Sacrifice of the Mass has been said each Sunday and Holy day with a satis-

factory number in attendance. Holy Communion has been brought to those confined to their rooms and at the Hospital on the First Friday of each month. Visits have been made throughout the various Wards: weekly visits to the House of Correction. Special devotions have been held during the Holy Season of Lent and on other specific occasions.

This year has been marked by a certain spirit of peace and happiness throughout the institutions and it is my hope and prayer that this same spirit will continue in the year to come.

Sincerely in Christ,

REV. GEORGE HARVEY,
Chaplain.

December 31, 1958.

CHAPLAIN'S REPORT

December 31, 1958

To the Honorable Board of County Commissioners:

GENTLEMEN :

Having completed another year of activity as a member of your staff in the capacity of Protestant Chaplain, it gives me pleasure to make the following report :

I have continued the routine visitation program of former years. My custom is to speak a few words of cheerful nature to each "guest" of our county institutions if they give me any opportunity to do so whatsoever. As the occasion appears practical, more time is spent with the individual in the way of general conversation, prayer, Bible reading or just lending a sympathetic ear. Quite generally I strive to bring cheer in the women's sections of the Farm by singing hymns upon request. This extra attention appears to be much appreciated by them.

At Christmas time I enjoyed bringing a youth group with me for an informal service in the men's section of the House of Correction. My son accompanied me with accordion music throughout the buildings and a group of women gathered in the upstairs chapel to hear a tape recording of the Christmas service as conducted in my church.

Respectfully submitted,

REV. BRUCE N. GARNSEY,

Protestant Chaplain.

SUPERINTENDENT'S REPORT

*To the Honorable Board of Commissioners
Hillsborough County.*

GENTLEMEN :

It is with pleasure I submit my Annual Report of activities of the Hillsborough County Home and Farm for the year 1958. I feel that definite progress was made during the year in our modernization program, which will permit better and more efficient care of the aged and infirm, improved atmosphere within the institution, thus making for better morale of the patients while at the Home.

Some of the improvements made in the institution during 1958 are as follows: The first floor was completely remodeled with new ceiling installed, brick walls were covered and painted with brighter colors. Each private room was also completely remodeled and painted. The large dining room was also refinished, and new ceiling installed, and finally, draperies replaced the grain bag curtains. This gave an atmosphere more pleasant for the patients. All electrical wiring in the areas that were remodeled, have been replaced, thus assuring more safety against fire.

The central heating plant was further repaired, with the replacement of all condensate pumps, and zone valves, thus permitting better efficiency and more economical operation.

Elevation gauges for the water tank were installed. This permits us to take a daily reading of our water supply, resulting in maintaining an adequate supply without loss of water.

A new pick-up truck was purchased as well as a station wagon which tends to expedite our work without constant breakdowns of yesteryear. Other minor farm implements

were procured which will help produce our products economically.

Many other minor improvements, too numerous to mention, were made during the year which will make for better and more efficient operation of County Home and Farm. A staff of Professional Nurses were hired during 1958, giving better and closer supervision of our patients, and better medical care. Our Women's Ward III was inspected by the New Hampshire State Department of Health, Bureau of Hospital Services. Their findings showed sufficient changes and improvement to change our license to that of a Nursing Home. It is hoped that sufficient changes and improvements will be made during the coming year or two to warrant the change of our license of the whole institution from that of a Rest Home to a Nursing Home.

The Sewage Disposal Plant was started during the year and was nearly completed by the end of the year. This process will eliminate the pollution of river waters, according to the mandate of the N. H. State Pollution Commission.

The farming season has been very successful, and the weather having been favorable for good crops which were as follows: 192 tons of hay was harvested for a value of \$7,104.00; 3,296 bushels of potatoes were harvested for a value of \$4,449.00; Pigs were raised and sold for a value of \$2,484.50; Turkeys were raised and dressed, 4,893 lbs. for a value of \$2,446.50; Milk and cream produced and for the use of the County Home and Farm and for the Moore General Hospital in the value of \$40,756.82; Calves sold during 1958 for a total of \$2,813.00.

Livestock on hand December 31st were as follows: 40 milking cows, 23 heifers, 2 young bulls, 30 sows, 2 boars, and 3 horses.

All of the improvements, changes, and progress made during 1958 must be credited to the full cooperation of the Board

of Commissioners, the members of the Executive Committee, the County Delegation, the Reverend Chaplains, the Officers, and employees, and the men of the House of Correction.

To all the Fraternal and Service Organizations, too numerous to mention, who have helped tremendously to improve the morale of the patients throughout the year, and especially during the holiday season, a sincere Thank You.

May I express to all, my sincere gratitude and appreciation for making the year 1958 a most successful year.

Respectfully submitted,

RALPH J. LAVALLEE,
Superintendent.

**A REPORT ON THE HILLSBOROUGH COUNTY
COOPERATIVE EXTENSION SERVICE PROGRAM
1958**

I. INTRODUCTION

Dedicated to the principle of helping people to help themselves, the Cooperative Extension Service provides educational programs for the people of the County in four major areas: Agriculture, Home Economics, 4-H Club Youth Work and Forestry.

The word "cooperative" in the title Cooperative Extension Service signifies, (1) that Extension's educational programs are jointly developed by committees of local men and women and Extension personnel from the County and the State and (2) that Extension work is cooperatively financed with county, state and Federal Funds.

Committees of local people give generously of their time and serve on the various commodity and advisory committees which advise and assist in setting up the Extension program.

Through the Extension Service the services of the County Agricultural Agent, the 4-H Club Agent, the Home Demonstration Agent and the County Forester are made available to the people desiring their help.

More and more non-farm people are turning to the Extension Service for assistance as evidenced by the Extension Agents annual reports. The complete Annual Reports covering the various lines of work are on file in the County Commissioners Office and Extension Office in Milford and Durham and describe in detail much of the work carried on in 1958. A summary of the work done in 1958 follows:

II AGRICULTURE

There are over 900 commercial farmers in Hillsborough County doing roughly a \$11,000,000 business. These farmers face difficult problems in today's rapidly changing farm economy. They must operate at maximum productive capacity and at top efficiency, to do this the farmer must keep up with the newest scientific developments. This is the County Agent's major job, to bring useful and timely information to the farmers.

Farm families were helped by the Extension Service in many ways. Major topics of Extension visits and meetings in 1958 included: Farm Management; Social Security and Income Tax; Marketing; Disease Prevention and Control; Roughage Production; Fruit and Vegetable Production; Livestock Production; Soil Testing and Agricultural Engineering.

Projects or programs worked on for non-farmer families during the year included: three agricultural meetings and tours arranged for the Hillsborough County Bankers Association; three Marketing meetings arranged in cooperation with the Independent Food and Grocers Association for the 225 food retailers in the county; two home landscaping and backyard fruit growers meetings for home gardeners and the preparation of 52 "Leisure Time Gardening" articles which were sent to the seven county newspapers and the N. H. Sunday News. As a result of these articles, over 300 requests were received for Extension bulletins and other garden information.

III HOME DEMONSTRATION

Homemakers faced with the many problems of family living looked to the Home Demonstration program for help.

Homemakers and their families were helped to: Remodel kitchens; Manage Time, Money and Energy; Repair and recondition home furnishings; Repair, select and construct

clothing; Select, buy and prepare nutritious foods; and Guide and care for children.

This program is guided by the Home Demonstration Council, which is composed of 52 local women, representing the 30 towns and cities in this county.

There are 28 organized Home Demonstration groups in the county with a total membership of 611 members which usually meet once a month. Approximately 75% of the women of the Home Demonstration groups are non-farm women. There are 4 groups in the city of Manchester and 3 in Nashua.

During the year the Home Agent did considerable Consumer Education work in the city of Manchester, working with the radio stations, Home Economists and the women's page editor for the city paper. In addition a weekly Food Facts Digest is mailed out to 6 nursing homes; 31 school lunch superintendents and 5 hospitals.

IV 4-H CLUB WORK

4-H Club work serves Hillsborough County's boys and girls 9 — 21 years of age by providing the opportunity to participate in a well rounded program. This program is aimed at developing well adjusted citizens today who may take their place in their community as adults tomorrow.

Twenty-eight adults from Hillsborough County towns and cities serve on the County 4-H Advisory Council.

Over 160 voluntary local leaders worked with the boys and girls of 58 organized clubs in 25 of the County towns and or cities.

More than 900 boys and girls carrying farm and home projects participated in the varied activities provided through 4-H Club work this past year. Fifty of these boys and girls belonged to the 4-H Clubs in the cities of Manchester and Nashua.

Contrary to the opinion of many folks the 4-H program is

not for only farm youngsters in fact over 50 per cent of the boys and girls presently enrolled do not live on farms.

Projects offered to 4-H boys and girls include: Clothing, Arts and Crafts, Better Rooms, Food Preparation and Preservation, Gardening, Home Landscaping, Forestry, Dogs, Horses, Shop and Handyman, Tractor, Photography and Livestock.

Some interesting items in the 1958 4-H program follows: Frank Gamache, a Manchester Club boy was honored by the National Junior Vegetable Growers' Association as the first place winner in New Hampshire for the fresh market vegetable program.

Several leaders and teachers at the New Hampshire Industrial School in Manchester have developed a 4-H Club with a membership of twenty girls. The Club is now operating in its third year and is one of the most active in the county. Members take part in sewing, rug making, both braiding and hooking, hand sewing, hand weaving, knitting, crocheting, enameling, indoor plants, gardening and cooking.

The Extension Club Agent was contacted for advice and assistance in developing a 4-H Club at the Crotched Mountain School for the Deaf.

At their second meeting after having studied the various 4-H booklets the youngsters decided on three projects: gardening, chick raising and woodworking. The agent contacted persons interested in the value of work done by 4-H Club members and was able to secure baby chicks, feeders and wide supply of vegetable seeds for their garden.

The deaf children watched the seeds grow into plants and the chicks into chickens under their loving care with a sense of real accomplishment.

V FORESTRY

Approximately 85 per cent of Hillsborough County is forest covered. Since 1946 the County Forester program has

been rendering assistance in forest management and marketing of forest products to woodland owners.

Each year direct assistance is given to more than 200 woodland owners in forest tree planting, weeding, releasing, pruning and timber stand improvement and timber marking.

Emphasis has been placed on the care and management of the younger stands of timber. The proper care of these young stands today will mean better quality timber in the future. During 1958 weeding and releasing was completed on 450 acres, thus assuring better growth of young white pine. Also 275 acres of pruning young white pine was completed thus assuring a much greater value in the future. 140,000 tree seedlings were set out in old fields and areas not fully stocked by natural seeding. The forests are a most important natural resource and very essential to our economy. New and different uses for wood are being found each year. In order to supply the increasing population with new and better products, it is necessary to increase the productivity of our woodlands by carrying out more good forest management practices. It is the function of the County Forester to instruct woodland owners in the ways of better forest practices.

VI IN SUMMARY

The following statistics list some of the methods used by the Hillsborough County Extension Agents in carrying on the Extension Service educational programs designed to "help people help themselves" in 1958:

Farm and Home Visits	1242
Meetings Conducted by Agents	413
Attendance at Meetings	11,101
Meetings held by Local Leaders	666
Attendance at Meetings	9,285
Telephone Calls	2,577
Office Visits	670

Bulletins Distributed	17,455
Radio Programs Prepared	76
News Articles Written	217

Statistics alone cannot accurately portray the influence of Extension work. Who knows how many people read and are influenced by a newspaper article that has been sent to the county daily and weekly newspaper? Who knows when a person will put an idea to use that has been presented at a meeting? It is the end result of these many visits, bulletins and meetings that is the ultimate goal of the Extension program. Extension goals include better homes, better farms, and people who are better enabled to assume roles of leadership and productivity in the community.

MINUTES OF THE MEETINGS OF THE HILLSBOROUGH COUNTY DELEGATION

FEBRUARY 26, 1958

A meeting of the Executive Committee of the Hillsborough County Delegation was held on February 26, 1958, at the Moore General Hospital, with the chairman, Rep. A. Belcourt presiding. In the absence of the Clerk, Rep. J. Pettigrew, Rep. Samuel Green was appointed acting clerk.

The meeting was opened at 7:30 P. M.

Roll call showed the following present: Reps. Belcourt, Green, Lesmerises, Cooper, Fortin, Casey and Dionne,

Absent were: Reps. Deans and Pettigrew.

Also present were the County Commissioners Bouthillier, Crosby and Poirier, Sheriff O'Brien, Supt. Lamy and Supt. Lavallee.

Commissioner Crosby explained the financial report for the year 1957 which showed an increase in revenues over the estimated revenue of approximately \$80,000 and a decrease in estimated expenditures of roughly \$13,000. The figures included \$10,000 received upon the fire damage.

Upon motion made by Casey and seconded by Fortin, it was unanimously

VOTED to accept the financial report for the 4th quarter.

Mr. Green reported upon the work of the subcommittee upon the Manchester Court House.

Upon motion made by Cooper and seconded by Dionne, it was unanimously

VOTED that the Board of County Commissioners be empowered to find out and report back to the Executive Commit-

tee what new furniture is needed by the Judges and the approximate cost.

Upon motion made by Green and seconded by Casey, it was unanimously

VOTED that the action of the Clerk in signing on authorization of \$500,000 to be borrowed in anticipation of the taxes be ratified, confirmed and approved.

Mr. Crosby reported that all employees are covered with Workmen's Compensation and also that a review of the values of all the buildings for insurance purposes is being made.

Mr. Crosby then discussed the question of alterations of the operating room. A letter from Architect Leo Provost was read. The approximate estimates for recovery emergency room and operating room would be \$68,765. He figures cost of project, which does not include movable fixtures, at \$75,000. To this must be added architect's fees of \$7,500. The furniture has been taken care of but the project does not include the maternity department. A figure of \$15,000 had been set in the budget for the operating room and the maternity rooms.

A discussion then ensued and it was deemed advisable to hear of other required major repairs.

Sheriff O'Brien reported difficulty with the boiler at the jail for there had been some difficulty. The boiler is not large enough for the system. It would cost roughly \$6,000. The boiler had been purchased in 1949. There is roughly \$3,500 in unexpended balance and it is thought the matter may be handled within the budget figures.

Upon motion made by Green and seconded by Fortin it was unanimously

VOTED that the Sheriff and Board of Commissioners be instructed to take immediate steps for inspection of the boiler at the County Jail as to its safety.

Supt. Lavallee discussed alterations to Ward 4 to bring it up to standard. The matter was postponed until after discussion with the Commissioners.

Discussion was then resumed upon the alterations of the operating room. The Commissioners feel that the alterations should be made this year to bring the setup into conformance with State and Federal rules. There is approximately \$29,000 available. The question is whether the Committee should recommend the matter to the delegation. \$50,000 would be needed.

Mr. Casey moved and seconded by Mr. Fortin that there be a call for a delegation meeting for a recommendation of the Committee for an additional appropriation of \$50,000 for alterations at the Hospital and any other business that might be brought up.

The Chair called for a roll call which showed for Cooper, Fortin, Lesmerises, Dionne and Casey 5, Against Green 1.

A discussion ensued whether the start should not be made.

Upon motion made by Casey and seconded by Dionne, it was unanimously

VOTED that there be an Executive Committee meeting on March 12, 1958 at the County Farm.

There being no further business, upon motion made by Lesmerises and seconded by Cooper, it was unanimously

VOTED to adjourn.

Whereupon the meeting adjourned at 10:45 P. M.

Respectfully submitted,

SAMUEL GREEN,
Acting Clerk.

MARCH 12, 1958

A meeting of the Executive Committee of the Hillsborough County Delegation was held on March 12, 1958, at the

County Farm with the Chairman, Rep. A. Belcourt, presiding. In the absence of the Clerk, Rep. J. Pettigrew, Rep. Samuel Green was appointed Acting Clerk.

The meeting was opened at 7:20 P. M.

Roll call showed the following present: Reps. Belcourt, Green, Dionne, Fortin, Cooper, Casey and Deans.

Absent were: Reps. Lesmerises and Pettigrew.

Also present were Commissioners Bouthillier, Crosby and Poirier, Sheriff O'Brien, Supt. Lavallee, Supt. Lamy and Ass't. Supt. Hurley.

The minutes of the last Executive Committee Meeting were read and accepted.

Commissioner Crosby reported that the Commissioners were unable to obtain information upon what furniture was required by the Judges for another two weeks. He also reported that there was no imminent danger from the boiler at the jail which will be inspected during the summer.

Sheriff O'Brien reported that new tubes are needed upon the boiler and there is a man working upon it, that the cost will run into quite a sum. The boiler is not big enough for the load is heavier and beyond the capacity of the boiler.

Commissioner Crosby explained the \$33,000 listed as estimated revenue upon the report for 1957 is included in the cash surplus for actual revenue in 1957.

The Commissioners then brought up for discussion the question of water pollution. The Sanitary Engineer, Romeo P. Morin, has not been doing the job and they are fearful of State action. They will discuss the matter with the County Solicitor.

The Commissioners discussed bills due for services rendered by the Hospital.

Supt. Lavallee discussed proposed repairs and equipment to Ward 4 in accordance with the enclosed report which is made a part of the records of this meeting. An inspection of Ward 4 was postponed.

Rep. Fortin moved that the Committee reconsider the action taken at the last meeting concerning the calling of a meeting of the delegation. The motion was seconded by Rep. Dionne. The motion was withdrawn.

A discussion ensued upon the question of repairs whether they could not be extended over a two year period.

Upon motion made by Fortin and seconded by Casey, it was unanimously

VOTED that all matters of construction and repairs be held in abeyance until March 26, 1958, at which time another meeting of the Committee will be held at the Moore General Hospital, at 5:30 P. M.

Upon motion made by Fortin and seconded by Dionne, it was unanimously

VOTED to adjourn.

Whereupon the meeting adjourned at 9:15 P. M.

SAMUEL GREEN,
Acting Clerk.

MARCH 26, 1958

A meeting of the Executive Committee of the Hillsborough County Delegation was held on March 26, 1958, at the Moose General Hospital.

Prior to the opening of the meeting, the Committee inspected Ward 4 of the County Farm.

The meeting was opened at 7:25 P. M. by the Chairman, Rep. A. Belcourt. In the absence of the Clerk, Rep. J. Pettigrew, the Chair appointed Rep. Samuel Green as Acting Clerk.

Roll call showed the following present: Reps. Belcourt, Dionne, Fortin, Casey, Cooper, Lesmerises, Deans and Green.

Absent was Rep. Pettigrew.

Also present were Commissioners Bouthillier, Crosby and Poirier, Supt. Lavallee, Supt. Lamy, Sheriff O'Brien, Alderman Gauthier of Manchester and Architect Leo Provost.

The minutes of the last meeting were read and accepted.

Commissioner Crosby reported that the Board was waiting for the Judges relative to furniture. Insofar as the water pollution is concerned, the matter was taken up with the County Solicitor who said everything will be all right by the first of the month. A letter has been received from the State Pollution Commission requiring the Board to appear before them on April 9 to show cause why proceedings should not be instituted.

Architect Provost explained the plans for alterations to the Operating Room. It should cost \$25,000 for the emergency room and will cost more later if work is done in part; possibly 5 per cent increase because of wage increase. The cost would be \$75,000 without fees. There have been a dozen explosions in the country during the last year in operating rooms. If only a floor is put in the operating rooms, the work would have to be redone.

Commissioner Crosby read a letter received from the State Department of Health.

A discussion ensued upon the meaning of emergency spending.

Without vote an understanding was reached that the Commissioners will cause amended figures for required taxes in 1958 for the purpose of reflecting the excess revenue to be filed. And the Commissioners will send a letter to the Chairman for a special convention of the delegation to act upon expenditures of money for additions and repairs.

Upon motion made by Deans and Seconded by Lesmerises, it was unanimously

VOTED to adjourn.

Whereupon the meeting adjourned at 8:30 P. M.

Respectfully submitted,

SAMUEL GREEN,
Acting Clerk.

APRIL 9, 1958

A special convention of the Hillsborough County Delegation was held on April 9, 1958, at the Manchester Court House.

The meeting was opened at 7 P. M., by the Chairman, Rep. A. Belcourt.

The Chairman stated that the meeting was called in accordance with the request of the Board of County Commissioners to act upon three matters:

1. To see what additional sum the Convention will vote for new construction and equipment at the Moore General Hospital.
2. To see what additional sum the Convention will vote for additions and repairs at the Hillsborough County Home.
3. To see what additional sum the Convention will vote for additions and repairs at the Hillsborough County Jail.

The Clerk called the roll which showed 69 members present whereupon the Chairman declared that a quorum was present.

The first order of business taken up was item No. 1 upon the call for the Convention. Commissioner Crosby told the delegation that it is necessary to modernize the surgical department at the Moore General Hospital to meet federal and state standards which will cost approximately \$75,000 which requires an additional appropriation of \$50,000. Vinyl plastic conductive tile must be installed to eliminate the danger of

explosions and installation of an air conditioning humidification system for the operating room.

Mrs. Marion Lamy, superintendent of the hospital, told the delegation more room was needed for operations and the plans called for two operating rooms.

Dr. John Duffy spoke of the danger of explosion.

Mr. Provost, architect, explained the improvements which were to be made.

The speakers were questioned by Reps. Pillsbury, Kearns, Green, Geisel, Cooper, Street, Smith, Crowley and Sabulski.

Some of the members were of the opinion that the problem of explosions could be taken care of at the present time within the budget figures but were advised that it would be more expensive to do the full job piecemeal.

A question arose why the maternity department floors were not included and the members were advised that no plans had been made for them.

Upon motion made by Lesmerises and seconded by Crowley, it was

VOTED that the sum of \$50,000 be appropriated to repair and alter the operating rooms at the Moore General Hospital.

The second item in the call for the Convention was considered.

Superintendent Ralph Lavallee reported that repairs and alterations were needed in Ward No. 4 of the Farm but that no emergency existed. About \$12,000 would be needed.

Commissioners Crosby and Poirier reported that the Water Pollution Commission had given orders that no sewage was to be dumped into the Piscataquog River and that the new sewage disposal must be ready by June otherwise the matter would be turned over to the Attorney General. Commissioner Crosby reported that the engineer was slow with the plans and that although the money was appropriated nothing could be done until the plans were completed. He planned a temporary lagoon.

The temporary lagoon caused quite a bit of discussion and objection for health reasons by Reps. Gilmartin, Pillsbury, Kearns, Geisel, Cooper, Green, Winston and O'Connor. The chair stated that this matter had not been discussed with the Executive Committee. Mr. Crosby stated they would go ahead with the lagoon in any instance.

Upon motion made by Pillsbury and seconded by Gilmartin, it was

VOTED that the item be laid on the table.

A division was asked showing 31 in favor of the motion and 18 against.

Mrs. Cooper raised the question of a quorum. The Chair advised her that counting those not voting there was a quorum.

Item No. 3 was discussed.

Sheriff O'Brien stated that a problem existed with the boiler at the jail. He was questioned relative to an appropriation in 1954 and 1955 for a new boiler. He explained the boiler was not large enough and that \$6,000 was needed.

Upon motion made by Gauthier and seconded by Gilmartin, it was

VOTED that an appropriation of \$6,000 be made for a new boiler at the jail.

Upon motion made by Green and seconded by Cooper, it was

VOTED to adjourn.

Whereupon the convention adjourned at 10:15 P. M.
